Greater Kansas City	1295/4069
Lafayette	12/24
Marion	15/37
Midland Empire	72/173
Pettis	7/12
Phelps-Pulaski	141/321
Southeast MO	390/902
Southwest MO	155/362
St. Louis	2312/5447
Vernon	5/10
Total	6179 Families/ 15355 Assisted

Federal Emergency Management Agency (FEMA) says it has registered 5,528 families (+11 from yesterday) from Hurricane Katrina now living in Missouri for its various disaster relief programs. The numbers for Hurricane Rita were not available due to computer error.

State Emergency Management Agency Volunteer Coordinator reports 60 people are being sheltered at a Southern Baptist church camp near Benton in Scott County. Another

18 people are being housed at the Arkansas- Missouri Christian Camp near Naylor in Ripley County.

The Remington Service Center in Springfield remains open for victims of both storms to register for assistance with various local, state, and volunteer agencies. Salvation Army reported 64 new cases. American Red Cross reported 59 new cases. 35 people returned to the Service Center for additional help. 175 cases were closed. To date 1,385 families (representing 3,303 persons) have been assisted in Southwest Missouri. They have been assisted by 287 volunteers from many volunteer organizations.

The Missouri Donation Hotline (800-841-8891) continues to take calls from anyone wishing to volunteer or donate to victims of both Hurricane Rita and Hurricane Katrina. AmeriCorps volunteers are staffing the hotline from 8am-7pm, seven days a week.

EMAC Support:

Missouri support under the Emergency Management Assistance Compact (EMAC) for the two storms includes the following:

- Two SEMA personnel are now working in Mississippi, assisting the state with disaster mitigation and floodplain management activities. They are expected to be on the ground through the end of next week. Two additional SEMA staffers are scheduled to be dispatched later this month.
- A SEMA employee is in Baton Rouge, LA to assist in the state's emergency operations center. This employee is expected to return sometime next week.
- Members from several fire departments in Region C (St Louis area) continue their work in Gulfport, MS with 18 personnel and 8 water tankers. They are assisting the local fire department with firefighting activities. Personnel from Region C are being rotated down to the disaster area to replace the members of the original contingent.

SEMA has received no requests for state assistance within the last 24 hours.

Severe Weather Potential.

A cold front will be moving through the State of Missouri from Northwest to Southeast. This frontal boundary will cause rain showers and thunderstorms as it moves across the State. Flood watches which were issued earlier this morning have now been cancelled, but may be reissued later this day. Much cooler temperatures are expected in Missouri for the next few days.

Points of Contact:

SEMA can be reached during normal business hours (7:30am-4:30pm) at 573-526-9100. After hours calls can be made to the duty officer hotline at 573-751-2748.
